

ANDREAS BORGEAS  
COUNCILMEMBER

## Councilmember Andreas Borgeas Establishes Fresno City Council Water Task Force

*FOR IMMEDIATE RELEASE*

**FRESNO, CA** (May 7, 2009) Fresno City Councilmember Andreas Borgeas established the Fresno City Council Water Task Force at today's City Council meeting. Councilmember Borgeas will serve as the Chair and will be joined by fellow council members Cynthia Sterling and Lee Brand.

The Council subcommittee on water, or Water Task Force, will serve as a vehicle for councilmembers to work with the Mayor's office and staff to educate, advocate and disseminate water related policies as they pertain to conservation, planning and water-related technology.

Councilmember Borgeas stated, "With the Governor of California calling upon Californians to reduce their per capita water use by 20% by the year 2020, it is more important than ever that elected officials have the opportunity to more significantly understand water policy put forward by staff and organizations in the City of Fresno."
